

**Great Barrington Rudolf Steiner School
Student Accident Insurance
2010-2011 School Year**

The school carries a student accident insurance plan that extends coverage to all school-sponsored and supervised activities. All students are automatically enrolled in this program. If your son or daughter is already covered under your health insurance plan, then your plan is primary and this program becomes secondary. There is a \$25 deductible per incident.

In addition to the basic school-day policy, parents may elect to purchase 24-hour accident coverage. Again, this coverage is secondary to any health insurance coverage you have for your children. The 24-hour election covers children from September 1, 2010 through August 31, 2011. The annual cost per child is \$55 in total or \$47 for 24 Hour Wrap Around Coverage and \$8 for Extended Dental. **If you wish to enroll your child(ren) for the 24-hour program, please return your check made payable: Life Insurance Company of North America with the form below to the Business Office by August 24, 2010.**
